SECOND CALL
SEFS14

Bolu, Türkiye

14th Symposium for European Freshwater Sciences - SEFS 14

Preserve Freshwater, Advance Science, and Leave Hope for Tomorrow!

Dear Colleagues,

We are excited to announce the **Second Call for SEFS 14**, which will be held at **Bolu Abant İzzet Baysal University** in Bolu, Türkiye, from **20–25 July 2025**.

The registration process is now open, and we invite you to **submit your abstracts** via our official website sefs14.com.

The submission deadline is **March 15th**

SEFS14 promises to be an outstanding event, where you will not only have the opportunity to hear from world-renowned plenary speakers but also engage with fellow attendees who will share their latest research and insights.

The symposium offers the following:

- Talks by esteemed plenary speakers recognised globally
- Diverse range of regular and special sessions
- Poster sessions, industry exhibition and the unique Aqua-Photos exhibition
- A series of initiatives dedicated to early-career researchers which include workshops, network opportunities, a dedicated special session, poster and presentation awards
- Exciting mid-conference excursion options
- An Ice-Breaking Party and a spectacular Gala Dinner

If you have any questions, please don't hesitate to reach out to us at sefs14@gmail.com.

We look forward to receiving your abstract and hope to see you in Bolu, Türkiye, in July.

Best regards,

SEFS 14 Secretariat
